

Energy for Tomorrow[®]

Renewable Energy Purchase Agreement for Large Business Customers

The Energy for Tomorrow program gives customers the opportunity to purchase electricity generated from renewable energy resources such as wind, solar and biomass.

Customer name: _____

Location(s) of purchase: _____
(e.g., account number(s), name of facility or organization)

Amount of renewable energy purchased (select one of the following options):

Percentage option: 25% 50% 100%

Block option: _____ kWh/month at _____ \$/month

Rate: For the percentage and block option, the renewable energy premium is 1.158 cents per kilowatt-hour (kWh) in addition to the customer's normal energy charge. For customers purchasing greater than 70,000 kWh per month of renewable energy, the renewable energy premium is 0.995 cents per kWh. These rates are regulated by the Public Service Commission of Wisconsin and may change periodically to reflect current market conditions. All rates and conditions of delivery of the respective rate schedule under which the customer is served are applicable.*

We Energies will:

- Provide renewable electric energy in the amount requested above
- Deduct the Fuel Cost Adjustment (FCA) from customer's electric bill for each kWh of renewable energy purchased
- Provide the customer with renewable energy program information
- Maintain independent certification of renewable energy purchases
- Retire and retain Renewable Energy Credits (RECs) on behalf of the Energy for Tomorrow Program

Customer will:

- Purchase renewable electric energy in the amount requested above from Energy for Tomorrow for one year
- Purchase requirement will automatically renew each year unless terminated by the customer or We Energies in writing 30 days prior to the contract expiration date
- Allow We Energies to use your business name and/or website address in Energy for Tomorrow promotional materials
- Utilize Energy for Tomorrow line item on monthly bills as renewable energy usage/purchase certification
