- We request that We Energies does **not** send our company a copy of our bill. We understand that regardless of any agreement that we may have with a third party, we are ultimately responsible for paying this account in a timely manner and if this account is not paid in full we will be liable for all charges and resulting actions that may occur as per the Wisconsin Administrative Code, Wisconsin Electric's Tariff, and Wisconsin Gas' Tariff.
- We request that We Energies continues to send our company a copy of our bill. We understand that regardless of any agreement that we may have with a third party, we are ultimately responsible for paying this account in a timely manner and if this account is not paid in full we will be liable for all charges and resulting actions that may occur as per the Wisconsin Administrative Code, Wisconsin Electric's Tariff, and Wisconsin Gas' Tariff.
- Please discontinue sending our bills to the above Marketer. We understand that regardless of any agreement that we may have or have had with a third party, we are ultimately responsible for paying this account in a timely manner and if this account is not paid in full we will be liable for all charges and resulting actions that may occur as per the Wisconsin Administrative Code, Wisconsin Electric's Tariff and Wisconsin Gas' Tariff.

It is further agreed that We Energies is receiving no consideration for honoring this request and that any release of information by it pursuant hereto is done solely as an accommodation to company furnishing such authorization. We Energies shall not be liable to company for any failure to provide or furnish information to Agent.
