Dear Mr. Bauer:

Re: **Tariff Sheet Updates for Municipality Incorporations for Wisconsin Electric - Gas Operations (WEGO), Utility 6630**

Enclosed are proposed updates to Wisconsin Electric – Gas Operations (WEGO) tariff sheets 166 Revision 2 and 172.00 Revision 2.

These updates are to reflect the incorporation of the former Town of Rochester with and into the Village of Rochester, and the renaming of two gates by Northern Natural Gas Pipeline (NNG). The NNG “Lima TBS #1” gate was renamed to “Whitewater #1 (Reliance Road)”, and the “WEPCO/NNG Rock (Lima)” was renamed “Lima Gate”.

For your convenience proposed changes to these tariff sheets are in change tracker.

These proposed changes do not result in an increase in rates or a diminution of service.

Upon your review and approval of these tariff changes, please assign an amendment number to this filing and advise. We will then forward final form tariff sheets as required.

Please contact William Korducki at (414)221-3953 if you have any questions.

Truly yours,

/s/ Roman A. Draba
Vice President, State Regulatory Affairs
