Dear Mr. Bauer:

Re: **Tariff Sheet Updates for Operating Systems Changes for Wisconsin Gas LLC (WG), Utility 6650**

Enclosed are proposed corrections and updates to Wisconsin Gas LLC (WG) Volume 7 tariff sheets 162.00 Rev. 2, 164.00 Rev. 2, 165.00 Rev. 2, 166.00 Rev. 2, 167.00 Rev. 2, 169.00 Rev. 3, 172.00 Rev. 1, 173.00 Rev. 3, and 175.00 Rev. 3.

These updates are to reflect the following redefinitions of its Operating Systems and Pilot Pooling Districts noticed on November 1, 2008 to become effective November 1, 2009:

- Operating system 14, West Bend, shall be combined with Operating System 13, Hartford, and continue as Operating System 13, with Operating System 14 being discontinued.
- Pilot Pooling District 02, shall be combined with Pilot Pooling District 03, and continue as Pilot Pooling District 03, with Pilot Pooling District 02 being discontinued.

For your convenience proposed changes to these tariff sheets are in change tracker.

This proposed change does not result in an increase in rates or a diminution of service.

Upon your review and approval of this tariff change, please assign an amendment number to this filing and advise. We will then forward a final form tariff sheet as required.

Please contact William Korducki at (414)221-3953 if you have any questions.

Truly yours,

/s/ Roman A. Draba  
Vice President, State Regulatory Affairs
