
COMPANY RULES AND REGULATIONS (FOR ALL CUSTOMERS)
(Continued from Sheet No. C-28.00)

C. Separate bills/Summary billing service

The following supplements the provisions of R 460.124.

Summary billing service is available to customers with more than one electric service account upon completion and acceptance of an application. Every month, a customer participating in this voluntary service will receive a single bill that summarizes data about each account on one statement. The separate accounts are listed individually on the statement and their sum total is placed on the summary bill. The customer pays the total amount owed on the summary bill account.

D. Guarantee instead of deposit

The following supplements the provisions of R 460.112.

Instead of a cash deposit required by these rules, the Company may accept the written guarantee of a customer in good standing of the Company or the guarantee of the Department of Human Services where payment to the Company is the responsibility of the Department of Human Services.

C6. SUPPLEMENTAL BILLING PRACTICES NON-RESIDENTIAL CUSTOMERS

A. Payment of bills

The following supplements the provisions of R 460.3906.

In the case of those commercial and industrial customers voluntarily receiving summary billing service, the Company shall permit each customer 15 calendar days from the date of rendition of each bill for payment in full.

B. Summary billing service

Summary billing service is available to customers with more than one electric service account upon completion and acceptance of an application. Every month, a customer participating in this voluntary service will receive a single bill that summarizes data about each account on one statement. The separate accounts are listed individually on the statement and their sum total is placed on the summary bill. The customer pays the total amount owed on the summary bill account.

C7. STANDARD NOMINAL SERVICE VOLTAGE , LIMITS AND EXCEPTIONS

C7.1 Secondary Service Voltages

The following supplements the provisions of R460.3702.

The standard nominal secondary service voltages adopted by the Company which are available on the distribution system are as specified in this Section C7.1. Not all service voltages may be available in all areas and there may be a charge to extend the necessary facilities to the customer, as provided elsewhere in these Rules and Regulations.
