NON-STANDARD STREET AND AREA LIGHTING, COMPANY-OWNED RATE Ms3
(Continued From Sheet No. D-39.00)

Conditions of Delivery (Contd):

3. Lamps will automatically be switched on approximately 30 minutes after sunset and off 30 minutes before sunrise, providing dusk-to-dawn operation of approximately 4,200 hours per year. Part-night, temporary or seasonal service is not available under this rate.
4. The Company will initiate a first response to replace inoperative lamps and otherwise maintain luminaires during regular daytime work hours within 72 hours after notification by the Customer. Conditions may require repeat visits to complete repairs. No credit will be allowed for periods during which lamps are out of service.
5. The Company will, at Customer's expense, modify, replace, relocate, change the position *or temporarily remove and reinstall* any properly operating Company-owned poles or fixtures contracted for under this rate as requested in writing by the Customer *or as required by a governing authority*. Replacement of lighting units and their major components after 20 years of service is at the discretion of the Company. Replacement may require a new lighting contract/agreement between the Company and Customer.
6. The lighting agreement shall become effective on the date service is connected, and shall continue in force until terminated upon 30 days' prior written notice given by either of the parties to the other. The Company may remove any and/or all lighting facilities upon termination.
7. If a Customer served under Option A *or a governing authority* terminates service or requests the removal of any Company-owned non standard lighting facilities, *the Customer* shall reimburse the Company for the unamortized balance of the estimated installed cost of facilities plus removal costs, less estimated salvage, of the facilities removed because of such termination or request for removal.
8. If a Customer served under Option B *or a governing authority* terminates service or requests the removal of any Company-owned non standard lighting facilities, *the Customer* shall reimburse the Company for the removal costs less estimated salvage, if greater than zero, of the facilities removed because of such termination or request for removal.
9. Customer shall indemnify and hold harmless the Company from and against *any and* all liability *for injuries* or damage to *persons or* property arising or resulting from (a) any interruption or modification of service requested or caused by the Customer; or (b) any lighting, requested by Customer or third party, which does not conform to the Illuminated Engineering Society (IES) Recommended Practices.
10. Subject to Company approval, the Company will allow municipal Customers to make temporary attachments of Christmas lighting and / or decorations on Company-owned light poles. The Customer must execute an annual agreement for such attachments and must meet all conditions thereof. Estimated energy consumption will be billed under the current Cg1 energy rate. Time and material charges for installation, removal or associated maintenance may also apply.
11. Electric service will not be furnished hereunder for breakdown or standby purposes where another source of power is available to the Customer. Energy furnished under this rate shall not be used for purposes other than those specified hereunder and shall not be resold.
12. In the event of abnormal or excessive maintenance due to frequent vandalism or other causes, not related to the quality of material or workmanship, the Customer shall reimburse the Company for all associated costs.
