R

RATE

In addition to the customer's normal energy charge as indicated in the rate schedule under which the customer is served; there will be an adder per kWh of renewable energy based on the level of participation selected by the customer as follows:

R

Renewable energy - 25%	0.250¢ per kWh
Renewable energy - 50%	0.500¢ per kWh
Renewable energy - 100%	1.000¢ per kWh

CONDITIONS OF DELIVERY

- (1) The customer will sign an individual customer contract which will initially obligate the customer to purchase the customer specified percentage of renewable energy each billing period for one year. Thereafter, the contract will automatically renew for the next year unless terminated by either the Company or the customer 30 days prior to expiration date, or customer may, at any time, increase the percentage of renewable energy specified.
- (2) When requested by customer and determined to be beneficial to both customer and Company and subject to periodic re-pricing of applicable rates as approved by the Public Service Commission of Wisconsin, the Company may enter into a multi-year contract, for renewable energy purchase by the customer.
- (3) Only one contract will be signed for all applicable accounts. The contract will detail each account to receive renewable energy, the purchase level percentage for each account and the total energy purchases for each account during the past 12 months. The total energy purchases must be not less than 70,000 kWh per month for each of the past 12 months for the customer to qualify for this rate.
- (4) The customer will agree to purchase total renewable energy not less than 70,000 kWh per month from all accounts enrolled under one corporate ownership.
- (5) In addition to the rate above, all rates and Conditions of Delivery of the respective rate schedule under which the customer is currently served are applicable.
