

### Firm Sales Service

Description: Firm Sales Service provides firm distribution capacity and firm gas supply available for sale at the meter.

Territory: All areas in Wisconsin served by the company.

Availability: Firm Sales Service is available to customers by rate class as defined on Schedules X-435 through X-440.

Rate Schedule Status: Open to new and current customers.

Conditions of Service:

1. Gas supplied under Firm Sales Service shall not be used in lieu of or as standby for service under any other rate schedule.

Special Terms:

1. Terms and conditions for service offerings as found on Schedules X-210 through X-220 shall apply.
2. Rules and general information pertaining to gas service as found on Schedules X-240 through X-250, and rules governing distribution mains and service lines extensions as found on Schedule X-300 to X-320, shall apply.
3. Rules governing accounting, collections, and billing procedures as found on Schedule X-330 shall apply.
4. Customers in rate classes Fg-6, and Fg-7 shall pay a demand charge that will be based on their actual maximum daily therm usage over the last twelve months. Where there is no current demand charge customer history, the actual maximum daily therm usage from the date of demand charge applicability for the customer to the billing shall be used to assess the daily demand charge until twelve months of billing has elapsed; where upon, a moving twelve months shall be used to arrive at the maximum daily therm usage for billing purposes.

Should the situation occur, that a gas meter serving a customer does not have all of the equipment necessary to meet the company's standard telemetered service requirements, which is needed to determine billing quality maximum daily demand quantity, and, the company per its tariff requires that the meter serving the customer's load be assigned a rate class or service that requires such data, the company shall install the necessary equipment at no charge to the customer. However, the customer shall be required to provide 120VAC power and standard telephone service to the metering point coincident with the change to the new rate or service.
