*Michigan customers who are still not satisfied may request a hearing with a utility hearing officer before the date of proposed disconnection of service. However, you must pay that portion of the bill not in dispute within three days after such request. You have the right to represent yourself during the complaint process or be represented by counsel or any other person of your choice. DISCONNECTION NOTICE FINAL NOTICE

You have not responded to our previous requests to obtain a reading of the service meter at the above address.

The Wisconsin Administrative Code Section PSC 134.062(1)(d) requires that to ensure accuracy in billing, the utility must read the meter at least once every six months. This section of the code further provides that service can be disconnected by the utility if access is denied. If arrangements are not made to permit us access to our equipment within 15 (fifteen) days from the date shown on this letter, it will be necessary to disconnect your service. If your service is disconnected, a \$(see amount on schedule X-235) reconnect charge will be added to your account when service is restored.

To avoid disconnection of your gas service please call us at 1-800-242-9137.

If in contacting our office you are unable to make satisfactory reading arrangements and you still feel that disconnection of your service is not justified, you may appeal to the Public Service Commission.
