

### Special Contracted Service

Description: Special Contracted Service provides unique or specific services under a contracted rate.

Territory: All areas in Wisconsin served by the company.

Availability: Special Contracted Service is available to any individual customer except for power generation affiliates of WISCONSIN GAS LLC.

Rate Schedule Status: Open to new and current customers.

Conditions of Service:

1. Any individual customer shall meet the following conditions:
  - a) Has average annual requirements not less than 300,000 therms of gas;
  - b) Has substitute natural gas services available that can be economically obtained;
  - c) Has contracted for a rate structure and rate level with the company that will be filed with the Public Service Commission of Wisconsin (PSCW); and
  - d) Is willing to abide by all terms of the company's appropriate gas service Schedules and riders except where modified by this tariff or by contract.
2. The company shall require remote meter reading equipment for service under this Schedule. The customer must complete and return a Remote Telemetry Agreement to the company no later than thirty (30) days after receipt of their formal written request for service under this Schedule. The customer shall be responsible for the installation, operation and maintenance of all associated support items including but not limited to electric and telephone service. Prior to installation of such equipment, the customer shall agree to pay the remote meter reading equipment charge as found on Schedule X-235, Other Charges.

Special Terms:

1. Service under this Schedule requires a written contract between the company and the customer. Said contract must be filed confidentially with the PSCW within twenty (20) days of execution. Any amendments to the executed contract must also be filed confidentially with the PSCW within twenty (20) days of execution.
2. The contract period shall be as negotiated between the company and the customer. Any contract which is entered into, renewed, extended, or modified may be subject to cancellation, conditioned upon regulatory and legislative action.

Rates:

The structure and the level of the rate paid by the customer shall be specified in the contract executed by the customer and the company and filed with the PSCW.

The contracted rate, at a minimum, must exceed all short-run variable costs of serving the customer plus long-run replacement costs of plant which can be identified as serving the individual customer. In addition, the contracted rate must be compensatory in regard to making a contribution towards long-run incremental costs of operating and maintaining the entire gas system.
