

Service Guide

This guide provides information about your rights as an electric customer of Upper Michigan Energy Resources. Please keep it handy for future reference.

The information in this guide is provided in accordance with the rules and regulations of the Michigan Public Service Commission.

Energy you can depend on

CHOICES

Enjoy the convenience of our flexible ways to receive and pay your energy bill.

Billing and payment choices

We offer billing and payment options to meet your needs and preferences. Some options can be combined to make it even easier to manage your account. Visit we-energies.com or call 800-242-9137 (unless otherwise noted) to learn more and to enroll.

Online billing with My Account

View and pay your bill online and eliminate paper bills, stamps and trips to the mailbox.

Automatic Pay Plan

Deduct your monthly payment automatically from your checking or savings account on the due date at no additional charge. Sign up for Automatic Pay Plan at www.we-energies.com/APP or call 800-242-9137 for a paper application.

Budget Billing

Spread your monthly energy costs more evenly over the year at no additional charge to you.

Credit, debit card or electronic check

Pay your energy bill by credit card, debit card or electronic check 24 hours a day at 888-823-2943 or on our website. A vendor processes payments on our behalf and charges a convenience fee for this service. Payments post the next business day.

Payment by mail

Mail your check or money order to:
We Energies
P.O. Box 90001
Milwaukee, WI 53290-0001

Pay in person

Visit our website for a map of authorized payment centers located closest to you or call us for more information. Vendors acting as authorized payment centers charge a convenience fee for each payment. Payments post the next business day.

Payment arrangements

Call 800-842-4565 to make a payment arrangement when difficult circumstances arise that prevent you from paying your bill in full.

Energy assistance

Contact your local social service agency for eligibility requirements and other information on funds available to help pay the heating portion of your residential energy bill.

Gift of Energy

Give the Gift of Energy by paying a portion of someone's energy bill – a practical and convenient gift for any occasion. Use your credit or debit card to buy a gift card, which can be mailed to you or the recipient. Fees apply.

You also may complete a form at we-energies.com and mail it to us with a check for any amount. You choose whether we mail the certificate to you or the recipient. The amount is credited to recipient's bill. No fees apply.

Energy for Tomorrow[®]

We offer an optional renewable energy program to strengthen the market for renewable energy, which can result in the increased production of electricity generated by renewable resources such as wind, solar and biomass. When you sign up at the 25, 50 or 100 percent level, you pay a slightly higher rate for us to generate or purchase enough renewable energy to match that percentage of your electricity use. Help improve and preserve our environment by choosing to add more renewable energy to the overall energy mix.

A reminder about your utility

While Upper Michigan Energy Resources Corporation (UMERC) is your energy provider, your bill comes from We Energies and you participate in We Energies programs, payment plans and customer service options.

Contact us at 800-242-9137 whenever we can assist you with your energy service.

To protect your privacy and provide fair and responsive service, we operate under the following policies to serve your account:

Privacy of customer information

We must collect certain personal information to provide you with service. Your privacy is important to us. Be assured that we keep your information secure and private.

Our customer data privacy tariff outlines the protections we take to ensure the privacy of your information and data. You may request a copy of our currently approved tariffs at any time by calling 800-242-9137, or you may view the tariffs on our website at uppermichiganenergy.com.

Service deposits

We may ask you for a deposit if:

- You're a new customer and have an outstanding balance with any Michigan utility that accrued during the last six years.
- You give false credit information on your application for service.
- You have one or more checks returned within the last 12 months.
- You tamper with our equipment or steal service.
- We disconnect you for non-payment.
- You file bankruptcy.
- You switch your name to avoid payment.
- You have no prior utility history.
- You are a nonresidential customer and two or more shutoff notices have been issued within the most recent 12-month period.

We do not require a residential deposit if your household income is at or below 60 percent of the state median. We may accept a written guarantee in lieu of a deposit from customers in good standing.

Guarantees

If you are unable to pay a cash deposit, there is another option. You can have another person sign a written guarantee that your utility bill will be paid. This person is called a "guarantor." A guarantor can be anyone using service for at least one year and who has a good credit standing with no unpaid bills on his/her account. The Michigan Department of Human Services can also act as a "guarantor."

The guarantor is responsible for your bills until you pay your bill in full and on time for 12 consecutive months without a notice of shutoff of service. When these conditions are met, the guarantor is released from responsibility. The guarantor is only responsible up to the dollar amount written on the agreement.

Deposits and refunds

We may bill deposits in installments. All deposits earn interest at a rate set by the Michigan Public Service Commission. Once you pay the deposit in full, we will refund the deposit with interest after 12 consecutive months of on-time payments. However, we may hold deposits longer in cases of tampering or theft.

Servicemembers Civil Relief Act

We support the Servicemembers Civil Relief Act (SCRA). The act provides relief from potential hardships if you or a family member is called to active duty. The act helps families avoid service interruptions and adverse credit reporting that may result from being called to active duty.

When full-time, active-duty personnel are called to service, they are given orientation on how to prepare for their departure. They are instructed to contact creditors for any relief or consideration they may provide until their active-duty status is modified by providing copies of:

- SCRA cover letter.
- Military orders.
- Name of person stateside who can confirm their active-duty status.

Upon receipt of these documents, we will:

- Establish special payment plans as required.
- Postpone service disconnection.
- Reconnect services already disconnected if proper military paperwork is provided.

Service disconnection

If your account is past due, we may disconnect your service.

Notice of disconnection

If we do not receive past-due energy charges and you do not make payment arrangements, you may receive a disconnection notice. The notice states the past-due amount, the date your service is subject to disconnection and the phone number to call to make payment arrangements to avoid disconnection.

After we receive full payment or an agreed-upon partial payment and payment plan, your service will be scheduled for reconnection the next available business day. A service reconnection fee will be charged.

Cold weather disconnection

The Michigan Public Service Commission sets rules for winter service disconnections. These rules protect you if you're having trouble paying your energy bill. If you have the ability to pay for service during the heating season but choose not to, these rules may not apply, and you may be subject to disconnection.

Medical emergency or protective services emergency

If you have a medical emergency or protective services emergency, we may postpone service disconnection up to 21 days (or may reconnect service) to allow you extra time to make a payment and/or payment arrangements. You must contact us to see if you qualify for an extension.

Third-party notification

Third-party notification is a confidential procedure in which we notify another person, designated by you, that your service may be disconnected. This third party can be any person you choose. The third party is not responsible for your bill or payment, but can make sure you receive and understand the disconnection notice, and help you take action to prevent disconnection.

Voluntary termination of service

A customer or authorized representative who wants to terminate service shall 1) Notify us at least 10 business days prior to requested service termination, 2) Allow us safe access, if necessary, to perform a final meter read, 3) Provide an address for final billing at the time of request for a final read, and 4) Notify us if an existing occupant continues to occupy the premises.

Moving and name changes

Contact us at least three business days in advance when moving or requesting a name change on your bill. Contacting us in a timely manner eliminates the potential of being held responsible for energy used after you've moved.

Service disputes

If a dispute cannot be resolved in a mutually satisfactory manner, you may request an informal hearing before a utility hearing officer. If you are not satisfied with the response of the hearing officer, you may contact the Michigan Public Service Commission to request a formal review of your concerns.
