

Never worry about writing checks or a late payment again!

With our Automatic Pay Plan (APP), you can enjoy the convenience of automatically deducting your energy bill payment from your checking or savings account on the due date.

Take control with these additional service options

Budget Billing

Spread your monthly energy costs more evenly over the year.

Time-of-Use

Get a discount for shifting your energy use from peak periods of the day to off-peak periods when there is less demand for electricity.

Energy Partners

Receive a credit of up to \$50 each summer for allowing us to cycle your central air conditioner on and off during periods of high electric demand. Wisconsin customers located south of State Highway 64 with one or two central air conditioning units are eligible to participate.

Energy for Tomorrow

Support the production of electricity using renewable resources by choosing to have a portion of your monthly use charged at a slightly higher rate.

What is Automatic Pay Plan?

With our Automatic Pay Plan (APP), you can enjoy the

convenience of automatically deducting your energy bill payment from your checking or savings account on the due date. Your bill will indicate that your payment will be automatically withdrawn from your checking or savings account, and it will show the transaction date.

How to enroll

Enroll online at www.we-energies.com/APP

Enrolling online is the most convenient. Remember to have your bank account information and We Energies account number handy.

Enroll by mail using the attached form

Complete all sections of the enrollment form included in this brochure and send it to the address indicated. The form will ask you to provide both the account and routing numbers of your checking or savings account. If you are unsure of what your account and routing numbers are, please contact your financial institution.

APP + My Account

Bill payment is even more convenient when you pair APP with My Account at we-energies.com. With My Account and APP, you can view your bill online, as well as have the payment automatically withdrawn from your bank account each month.

Terms and conditions

Go to www.we-energies.com/APP for complete program terms and conditions.

Additional APP information

Changing bank account information

You can change the bank account information that you use for APP in one of two ways:

- Request a mail-in form.
- Visit directpayment.com, our partner company that manages online banking information changes.

You cannot change your APP bank information in My Account.

Cancelling withdrawals

To cancel a scheduled APP withdrawal, you must contact us by phone or e-mail at least four days prior to the due date.

Group Bill

If you are a group bill customer, your entire group bill amount must be on APP so that the entire group bill is deducted. Individual accounts that are part of a group bill cannot be enrolled in APP.

Your APP bill statement

After you enroll in APP, look for the "Automatic Pay Plan-Do Not Return" message on your bill stub. If you receive your bill via the Internet, you'll see a similar message. If it is not there, please pay the bill. Your automatic payment should begin with the next month's bill. If two billing periods pass without the APP message, please give us a call at 800-242-9137 to make sure we received your enrollment request.
