

Make grandma
the star of the
2019

**We Energies
Cookie Book!**

**We are featuring
“recipes from
grandma” as
the theme for
our 2019 edition,
and we invite
you to be part of this
cherished holiday tradition.**

Submit a special recipe your grandma made and a favorite memory you have of baking with her. If you're a grandma who has a favorite recipe you make with your grandchildren, we encourage you to submit your information, too.

It's easy to share your recipe and memory with us:

1. Go to www.we-energies.com/recipes.
2. Choose the "Share your recipe and memory" button.
3. Complete the brief form and submit.

Submissions will be accepted through March 1, so don't delay. Send us your recipe and memory today!
