Home for the holidays — there's nothing like it. The 2022 We Energies Cookie Book will spotlight the communities we serve and what makes them the perfect places to live, work and play.

We'd like to feature your hometown with a favorite cookie recipe from you.

**We invite you to submit a recipe to be considered for the Cookie Book, as well as a story about what makes your hometown so special.**

## **It's easy to share your information with us:**

1. Go to [www.we-energies.com/recipes](http://www.we-energies.com/recipes).
2. Choose the "Share your recipe and story" button.
3. Complete the brief form and submit.

**Submissions will be accepted through Feb. 25, so don't delay. Send us your recipe today!**
