Electrical contractor phone: _____

Electrical contractor email: _____

Engineering plans

Status:

- Conceptual
- Preliminary _____% complete
- Final Date of plans: _____/_____/_____

Submit the following layers from your plans:

- Drainage, easements, retention ponds
- Buffer zones and preservation areas
- Topographic lines which establish final grade
- Other areas and easements the utility must avoid
- Water
- Sewer and storm sewer
- Wetlands
- Paved areas

The plans and plat of survey are preferred electronically and accepted in DGN, DWG, DFX or CAD format. Submit these to ElectricVehicleChargerProgram@we-energies.com.

Are there plans for future development?

- Yes
Show location(s) on plat or plans.
- No

Note: Any changes in the plat of survey or plans made during project must be communicated promptly to your We Energies representative. This may result in delays in scheduled construction and/or additional costs.
